FIELD TRIPS WITH RECONSIDERED GOODS

Our year-round field trip program serves to educate participants of all ages and abilities on the environmental impacts of reusing materials through creative, STEAM based, hands-on art activities. We supply materials and trained staff to integrate your curriculum goals into a fun and engaging experience for students. Our program is designed meet your student’s specific educational needs, interests and learning objectives. Program Includes:

- Facilitation of a STEAM-based hands-on art project students can keep.
  - Discussion of environmental impacts of reuse and recycling.
  - Exploration of unique re-usable materials and free creative play.

FIELD TRIPS TO YOUR SCHOOL

Bring creative reuse programming into your classroom! Visits include:

- Introduction of mission and impact of creative reuse centers led by Education Coordinator.
- Exploration and discussion of a variety of re-usable materials, reuse artists and their artwork.
- A STEAM-based creative hands-on art project.

Pricing for 1.5 hour on-site field trip:
- 15 makers or less | $150
- 16-30 makers | $180
- 31-60 makers | $240
- 61-90 makers | 270
